MCCREADY-TELFORD FOUNDATION

OUR MISSION:

Committed to enhancing residents' quality of life, practicing responsible fiscal management, and strengthening connections with the Richmond and Madison County community.

"...do everything in the name of the Lord Jesus, giving thanks to God.."

-Colossians 3:17

OUR COMMUNITY

A COMMUNITY BUILT ON CARING

Since 1992, the St. Andrews Christian Based Retirement Community has provided a beautiful, safe and convenient place for older adults to enjoy their Golden Years. The 40-acre community is located near downtown Richmond, Kentucky.

MCCREADY MANOR

ASSISTED LIVING

A caring social community where residents receive assistance with daily needs while enjoying meals, activities, friendships and outings together.

TELFORD TERRACE

SKILLED NURSING

A medically supported, Medicaid-approved nursing facility focused on providing a comfortable and inviting environment for residents and families.

OUR FOUNDATION

MAKING A DIFFERENCE SINCE 2004

For more than 20 years, through contributions from families and friends in our Richmond and Madison County community, the McCready-Telford Foundation helps to enhance lives by giving additional financial support to McCready Manor and Telford Terrace that annual operational budgets of the facilities themselves cannot provide.

That can only happen through the support of generous people making donations and contributions to the Foundation. With that said, it's important for current and future contributors to the McCready Telford Foundation to know how donations and contributions are utilized.
